

# CS 5551 Lab 4:

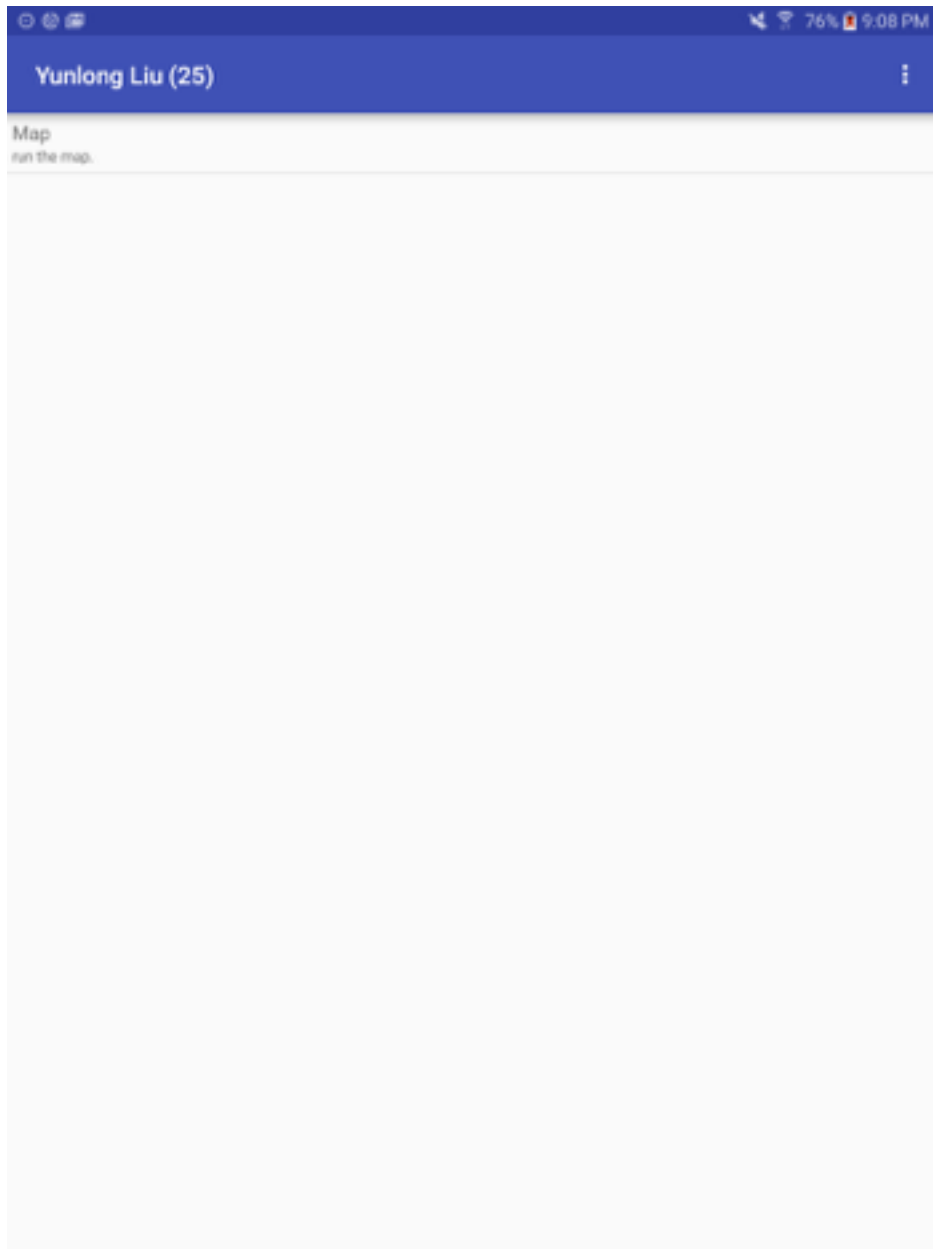

## the screen shot of Lab4

here is the login page:

The screenshot shows a mobile application interface for a login page. At the top, a blue header bar displays the text "yunlong liu(25)". Below the header, the form is divided into sections. The first section is labeled "Email/user name" and contains a text input field with the value "yunlong liu". The second section is labeled "Password" in red text and contains a password input field with masked characters "xxxxxxxxxxxx" and a red vertical cursor. To the right of the password field is a red eye icon for toggling visibility. Below the password field is a checkbox labeled "remember me" which is checked. At the bottom of the form is a wide, light gray button labeled "SIGN IN HERE". The background of the page is a light gray gradient.

here is the menu page of the map api, i use the google api to

achieve the web service interaction.

here is the map page of the map api.
